

- A unique, inspirational book and personal development programme that demonstrates how writing, reading and reciting poetry aids inner fulfilment and emotional healing
- 120 original, delightful and thought-provoking poems written by the author
- Poems divided into twelve universal life-themes for personal and group exploration. From *Grief and Sadness* to *Sense of Humour*

- Practical exercises and down to earth advice on how to write creative and therapeutic poetry that improves mental health and emotional well-being
- A 'must' for every school, university and professional institution where creative writing, creativity or personal development is taught

'*Poetry For Health* is an invaluable guide for practitioners and individuals in search of a greater understanding of how we can heal ourselves. Marvin Shaw's poetry touches our senses, inspiring us to write our own poems and engage with them.'

Miriam Reissner - Freelance Journalist

'*Poetry For Health* celebrates the healing power that emerges when people, who have never written before, express things long held (and withheld) within them. The emotional range of its suggested exercises is really good.'

Jay Ramsay - Poet, Author, Healer, Psychotherapist

'*Poetry For Health* will serve as an invaluable coping tool for anyone who cares to read it.'

Daniel Cainer - 'The New Comic Bard of Anglo-Jewry'

Marvin J Shaw is a poet and educator in Personal Growth. He is the author of *10 Days To Change Your Life* and *Kosher Happiness - A 12 Step Programme to Reveal and Release your Inner Potential*.
